Technological University Dublin

08/2019 - 05/2021

Ireland

Courses

- Bsc in computer Science

QQI level 5 Certificate in Computer Science

Portlaoise

08/2018 - 08/2019

Ireland

Courses

- Computer Science

WORK EXPERIENCE

Software Engineer - Intern (UI)

Houghton Mifflin Harcourt Dublin

06/2021 - 08/2021

Dublin, Ireland

HMH are specialists in Education Solutions, Interactive Learning, Education Publishing, and Learning Technology.

Achievements/Tasks

- During this internship I worked on one of the UI team responsible for the HMH flagship product HMH ED
- While working on the platform I learned the React framework using the Single SPA pattern for a micro frontend architecture
- I was also involved in writing, debugging unit tests, and integration tests using jest and the react testing library
- Here I got an introduction to End to End testing using codeceptjs
- I learned these crucial skills, following an agile software development methodology participating in sprints
